Federal and State law requires that you state the mileage upon transfer of ownership. Failure to complete or providing a false statement may result in fines and/or imprisonment.

The odometer now reads (no tenths), miles and to the best of my knowledge reflects the actual mileage unless one of the following statements is checked.

WARNING ☐ Odometer reading is not the actual mileage. ☐ Mileage exceeds the odometer mechanical limits.

I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.
